PROPERTY MANAGER

RETAIL PORTFOLIO

Burlington Area

Position Description

SUMMARY: Responsible for the day-to-day aspects of property management & maintenance issues related to a retail portfolio. This individual works in tandem with the Owners, the accounting team, leasing, facilities staff and construction to provide a full range of timely services to tenants and clients.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following. Other duties may be assigned.

- Collects specified rents and recommends necessary action to owners. Works with legal counsel to collect or evict as necessary, in compliance with court order and directions from lawyer and owner.
- Develops and maintains excellent tenant/owner relationships.
- Communicates the terms of the lease through the accurate filing of lease abstract and monitoring of the Property and other reports.
- Prepares annual property business plan and quarterly updates.
- Prepares common area maintenance (CAM) reconciliations.
- Assists owners, attorneys, and buyers during due diligence periods and coordinates all efforts in a new property takeover.
- Develops building cleaning specs, market standards, and negotiates all service contracts.
- Uses industry knowledge to implement appropriate risk management practices.
- Analyzes building security systems, understands operations of such and makes recommendations to ownership as necessary.
- Prepares annual real estate tax true-ups. Provides information/work with tax abatement consultant as needed.

- Monitors property cash flow on a weekly basis and prepares projections.
- Works with construction team, contractors and subcontractors to coordinate tenant fit ups, maintenance issues, upkeep, or reconditioning of property as specified in management services or lessee's agreement.
- Directs the team's accounting functions, manages cash balance of portfolio, prepares annual budgets, and reconciles variances and reviews monthly financial reports for accuracy.
- Manages facilities vendors, tracks maintenance issues and ensures that repairs are made in a timely manner. In addition, conducts thorough on-site inspections of properties including roof.
- Reviews work orders and watches for repetitive building issues. Proactively resolves these issues prior to tenant awareness. Further, makes recommendations of when to repair vs. replace HVAC components.
- Manages capital projects for portfolio. Approves supplies and equipment for use on leased properties.
- Directs preparation of financial statements and reports on status of properties such as occupancy rates and dates of expiration of leases.
- Directs issuance of checks for monies due to client.
- Advises clients relative to financing, purchasing, or selling of property.
- Prepares periodic inventory of building contents and property condition, and forwards listing to owner for review.
- Contacts utility companies to understand potential utility company rebates available.
- Manages, trains, motivates and develops subordinates. Ensure that they understand objectives and goals. Conducts weekly action agenda meetings with staff, submitting a meeting report to management.
- Ensures emergency evacuation and life safety systems are effective and up-to-date. Prepares and distributes emergency procedures brochures to tenants. Responsible for the implementation of the property management safety policy.
- Maintains tenant request/complaint logs and ensures that responses to requests are performed in a timely fashion.
- Ensures that preventative maintenance programs are in place and being performed.

- Understands policies of insurance on assigned property, including procedures for filing claims and loss prevention reports.
 - Available and On Call 24 hours / 7 days a week for emergencies.
